

The Oldham College

R U Clear Chlamydia
Screening

How we work

The Learning Mentors

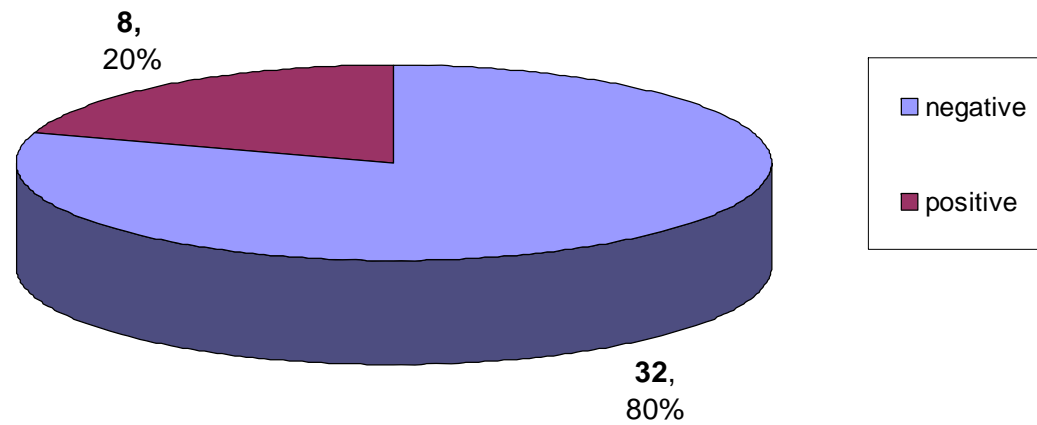

- Pastoral support to all learners
- Offer support & advice on all aspects of health
- Specialist health tutorial sessions
- Health Awareness sessions in canteen
- Non- medical backgrounds
- Good communication skills & at ease speaking with young people

How does R U Clear fit in?

- Working with R U Clear since Spring 2007
- Already well established C-Card distribution point
- Management team welcomed R U Clear as fits well into Healthy Colleges standards and 'Be Healthy' strand of ECM
- R U Clear information & training
- Now offer screening through drop in & pee in pot events.

Drop in testing

Oldham College Drop in positivity

Pee in the Pot Events

- Two events May 07 and March 08
- Tested 36 May and XX March
- More young men, lower positivity than drop in.

What the students think....

- It is so convenient. I did a Chlamydia & Gonorrhoea test on my lunch break!
- I would never have walked into a clinic to get tested but felt comfortable going to my learning mentor
- I trust you because I know you. I am confident that you wont tell my parents.

- Any Questions?
